Soccer Club teams up with Township, United Way to assist residents

THE WOODLANDS, TEXAS (March 16, 2011) – The Woodlands High School Boys Soccer Club recently participated in a project as part of The Woodlands Township’s Community Revitalization Program and Montgomery County United Way’s Days of Caring.

A group of volunteers from the soccer club performed yard and home maintenance work at a property in the Village of Grogan’s Mill, including raking the yard, sweeping the roof of the home, removing algae from the siding and repairing the fence.

“The Woodlands Township and United Way would like to thank The Woodlands Boys Soccer Club for the fine work they did at this property as well as another property in Grogan’s Mill,” said Keith Weaver, revitalization specialist with The Woodlands Township. “Projects like these assist residents who have financial or health issues with maintaining their properties in compliance with The Woodlands’ Covenants.”

For more information on The Woodlands Township, please call 281-210-3800 or visit www.thewoodlandstowship-tx.gov.
